

Experienced coaches will run exercises and games to introduce the game of soccer to athletes. This is a great opportunity to obtain exercise, improve coordination and meet other youth who face the same or similar challenges.

Most importantly, it is a great way to have fun!!

Players:

A TOPSoccer player is defined as any youth player between the ages of 4 and 21 who has a disability that limits their ability to perform at the level of play in which they have chosen to participate. Players are grouped by ability, not age.

What should families expect from the program?

- A fun and meaningful experience for your family.
- Games and activities adapted to ensure your child's participation.
- Safe and healthy environment.
- Parents will have the opportunity to network with other families for support and information-sharing.

Be a Buddy!

If you are 13 y/o or older, consider being a TOPSoccer volunteer! Buddies will be paired up with a player. No soccer experience necessary, but compassion, commitment, energy and a spirit of fun are expected.

What:

TOPS is a modified version of the game of soccer, designed to provide opportunities for children with special abilities

When:

Saturday, April 8, 2017
10-11:30 AM
